

AT4Maine

Assistive Technology for all Maine people

Assistive Technology for Maine

AT4Maine.org

Quick Start Guide

AT4Maine is an online database containing hundreds of Assistive Technology devices that Maine citizens can borrow for a short-term loan. The equipment is located at four participating programs around Maine - CARES, Inc., Pine Tree Society, Spurwink/ALLTECH, and the University of Maine Farmington. You may also use the AT4Maine site to arrange for a personal demonstration of any of these AT devices.

Search for Assistive Technology

- **Simple search** – type in a keyword or phrase and/or select a category from the drop-down menu
- **Advanced search** – narrows the search further by selecting a specific program and/or transaction type (demo or loan only)
- **Item details** - After submitting the search request, a list of results is shown. More information about the item can be viewed by clicking on the item name.
- **Bookmark** – When search results come up, click on the image of a book to make a separate personal list of items you are interested in while searching for more items. This full list can be viewed by clicking on “View Bookmarks” at the top of the page.

Request a New Account

You can set up an account if you have a valid email address. Click on “Request a New Account” and complete the personal information form. Items marked by a red arrow are required. You must read and agree to the agreement terms.

If you do not have a valid email account but would like information about the items listed on the website, please contact the Maine CITE Coordinating Center for assistance by calling 207-621-3195 or Maine Relay 711

Questions

If you need assistance regarding a particular item, please contact the Program (contact phone numbers are below) that owns that equipment. Help on using the website is available online by accessing the Help link at the top of every page.

For any other questions or assistance in setting up an account, please call the Maine CITE Coordinating Center at 207-621-3195 or Maine Relay 711.

Thanks for using AT4Maine
